NEW FOR BABIES AND TODDLERS IN 2025 AND 2026

Miu's Emotional Learning Kit

This comprehensive emotional learning kit invites adults and children to explore the wonderful world of feelings together. The set includes emotion rhyme cards, a guide for adults and a Miu poster. Illustrated by *Larissa Saloranta*.

Miu is Persistent

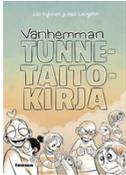

Max can do a great somersault, but Miu can't — not yet. She needs practice! But the thought of failing makes Miu not want to try at all. How can Miu be encouraged to keep practicing and not give up? Illustrated by *Larissa Saloranta*.

Miu Wants to Decide

Miu has had a bad day. She feels like no one understands her! Would it ease the little liger's defiance if she were allowed to do and decide some things all by herself? What happens when Miu doesn't get to decide after all? Illustrated by *Larissa Saloranta*.

NEW FOR PARENTS IN MARCH 2026

The Emotionally Skilled Parent

Parenting stirs up powerful emotions but many of us didn't learn strong emotional skills growing up. This book is for all parents and caregivers who want to bring more emotional awareness into everyday family life. Practical and easy to read, it helps deepen self-understanding and shows how to work with emotions so they become a source of strength rather than a burden.

NEW FOR YOUNG ADULTS IN OCTOBER 2025

Everything Will Be Okay – A Guide to Your Mind

This fill-in book is an approachable information package full of inspiring exercises and tools for adolescents and young adults. Readers will learn to understand their mind and behavior and build their well-being piece by piece. This book supports you when things are going well and especially when the world feels like it's collapsing around you and everything is tied up in knots. Illustrated by *Nelli Orell*.

NEW FOR EARLY READERS IN MAY 2026

Juno - Lonely Kosmo

Juno has a principle: to fix all injustices! So Juno doesn't stand by when the new classmate, Kosmo, is lonely. Juno decides to make them best friends! Juno looks up online how to become friends. You have to spend time together — 40 hours?! With a stopwatch in hand, making friends turns out not to be so easy after all...

Juno is an easy-to-read and engaging book series for 7-9-year-olds that invites children to read and helps them explore and process emotions. Illustrated by *Jauri Laakkonen*.
